## **DIRECTORS' REPORT**

The Directors are pleased to present the unaudited Condensed Interim Financial Statements of your Company for the nine months and third quarter ended March 31, 2021.

## **FINANCIAL AND OPERATIONAL OVERVIEW**

The principal activity of the Company is manufacturing and sale of yarn. During the period under review, there has not been any material change in the Company's business activities.

During the period, the Company's turnover amounted to Rs. 2,812 million as compared to Rs. 2,674 million in the same period of last year. Gross profit amounted to Rs. 331 million compared to Rs. 229 million for the corresponding period and profit after tax amounted to Rs. 73.081 million against loss after tax of Rs. (12.834) million in the comparable period. Earnings per share amounted to Rs. 3.68 as against loss per share of Re. (0.71) in the same period of last year. By the grace of Allah, your Company has produced satisfactory results for the nine months' period under review. Sales have increased by Rs. 138 million, i.e., by 5% as compared to same period of last year. Finance cost declined by Rs. 34 million, i.e., by 20% as compared to the corresponding period. Gross margin has also improved due to increased sales and cost control. Despite the surge of Covid-19 pandemic, your Company's management has worked hard to maximize returns in an efficient manner. The management has also planned to undertake BMR/expansion of the mill to improve the operational efficiencies and production capacity. The total cost is estimated at Rs. 800 million.

## **FUTURE OUTLOOK**

In the wake of the surge in Covid 19 cases, the management remains focused to steer your Company in the best possible manner and it is confident that the Company will maintain the momentum in the fourth quarter as well. The Federal Government has announced discontinuation of gas supply to Captive Power Plants who have an alternate electricity connection. This policy needs to be revisited by the Government. The government should also consider restoration of Sales Tax Zero Rated regime for the textile chain to improve cash flows and cost reduction. Tax credit u/s. 65B of the Income Tax Ordinance, 2001 must also be restored as an incentive for new investments. The increase we are witnessing in online retailing is promising for the textile chain also and continuation of this trend is likely to benefit not only the textile industry but the whole economy of our country. The Government must take strong and immediate measures to control the hike in commodity prices and restore the purchasing power of the common man to keep the wheel of the economy running. The Company's management shall continue its focus on business growth and improved margins.

## **ACKNOWLEDGEMENT**

The Board highly appreciates the trust and support of the customers, bankers, suppliers and shareholders and acknowledges the valuable services rendered by the employees.

For and on behalf of the Board
